EXPERIENCE

Front End Developer ⚲ VUID, Inc 📅 2014-2015

- Web development project lead was my primary responsibility. Also worked as a UI/UX designer, project manager, and marketer as needed.
- Built and launched the website for the Spotlight Social Contest app. Included a post feed view, real time leaderboard, user profiles, ability to post to the app, and ability to create an account. Worked with the Creative Director to turn their designs into a fully functioning, responsive website.
- Designed and built VUID website within previously established style guides. Features include creating accounts, profile pages, and credit card payment integration. Also responsible for creating all illustrations and iconography.

Graphic Designer ⚲ Rodon Signs & Designs 📅 2013-2014

- Designed banners, dimensional signs, light boxes, trade show graphics, vehicle graphics, logos and everything in between.
- Worked within ADA laws and regulations to create accessible signage.
- Managed entire order life cycle, working with clients, overseeing production, and making sure deadlines were met.

Freelance Graphic Designer & Illustrator 📅 2011-2013

- Created advertising materials, logos, branding, and illustrations for various clients.

Graphic Design Intern
⚲ The JFK Center for the Performing Arts 📅 2010

- Worked with the marketing team to design advertising materials.
